BLACK AND WHITE LASER PRINTER

FEATURES

- Craft personalized messages for each card carrier to help strengthen customer loyalty

- Use customized promotions to increase card usage and drive revenue

- Deliver up to 2,000 pages per hour in simplex and duplex mode

- Up to 600 x 600 dpi (resolution dependent on quality of original input image)

- Entrust-only high-yield toner cartridge for longer system uptime

- Color touch screen display for improved operator use

- High-capacity paper tray of main printer unit provides extended run times

- Serialized printer license keys (PLK) provided with each Kyocera E70 printer

KYOCERA E70 PRINTER

The economically priced Kyocera E70 inline printer integrates seamlessly with the Datacard DX3100™, MXD611™, MXD211™, and MXD111™ Card Delivery Systems. It is ideal for issuers running black & white, one-to-one marketing communications.

Tray 3 and 4
(MXD611 and DX3100 only)

Lower parallel trays utilized by the MXD611 and DX3100 Card Delivery Systems provide up to 1,500 extra sheets of letter/A4, allowing users to spend more time focusing on business and less time reloading paper

Printer Specifications	

Consumables/Yields

Consumable	Item Number	Yield*
Toner Cartridge, Kyocera TK-E70	_12_4-050	0,000 % *
Maintenance Kit, Kyocera E70	_12_4-0 1	300,000 % *

*Toner coverage is estimated based on print coverage of up to 6% per side of paper letter size. Actual results may vary depending on system speed, print coverage, and simplex or duplex mode.
