## 2. REACH Compliance

REACH (Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)) is a European Union (EU) chemicals regulation that entered into force on 1 June 2007, with phased deadlines to 2018.

Entrust supports the overall REACH objective of improving the protection of human health and the environment. Our long-standing policy is to provide products and services that are safe to use and have a low environmental impact throughout their lifecycle. We meet all applicable REACH requirements and are committed to providing our customers with information about the chemicals in our products as needed to comply with REACH.
